Dear «Name»,

By letter of December 13, 2006, we advised you that as of January 15, 2007 Cognigen will no longer provide long distance telecommunications services in your state. This affects all «Service» customers. By reason of FCC requirements, the original date has been extended to February 28, 2007. On that date your «Service» Long Distance service will be turned off and you will not be able to make calls at that time, if you do not switch your long distance prior to that.

We would like to suggest Acceris Communications as a substitute provider that will provide you services that is of the same quality as the service provided by Cognigen. Acceris Communications has agreed to offer the same service that you enjoyed with Cognigen Networks, as well as offers many other plans that may better suit you as a customer. You can visit **WWW.ACCERIS.COM** to find out more, or call their customer care at **1-800-569-8700**. As you will see they are a responsible, long-term long distance service provider that you can trust to service your long distance telephone needs.

The final invoice for your current account will be generated on March 15th, 2007, if you have not already switched carriers by that date. Please, note, if you are not a credit card billed customer, you need to send your final payment to the same address, which will be indicated on your invoice.

The FCC will normally authorize this proposed discontinuance of service (or reduction or impairment) unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments within 15 days after receipt of this notification. Address them to the Federal Communications Commission, Washington, DC 20554, referencing the Sec. 63.71 Application of Cognigen Networks, Inc. Comments should include specific information about the impact of this proposed discontinuance (or reduction or impairment) upon you or your company, including any inability to acquire reasonable substitute service.

If you have any questions or concerns, please, don't hesitate to contact our Cognigen customer service at 1-877-608-3769.

Thank you for being a Cognigen customer and we apologize for the inconvenience this may cause you.

Best regards,
